BINGO!

Advent & Christmas BINGO!

We hope your little ones enjoy these unique Advent and Christmas bingo cards. Please cut out the squares on the caller page, flip them over, and randomly draw from the pile. While calling out the image, kids mark their bingo cards accordingly.

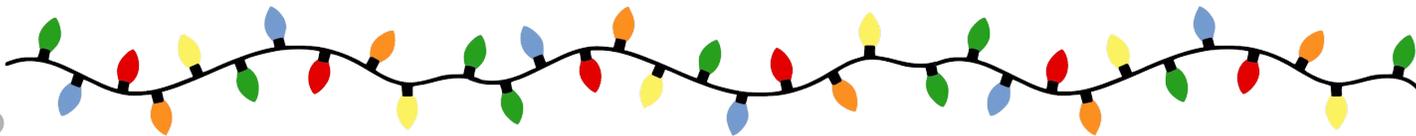

Color version of the card are available as well as line drawing version for the children to color each image as it's called out.

The first child to complete four squares, either horizontal, vertical, or diagonally, wins. You may wish to try a game variation where the first child to cover their entire card wins (coverall).
